Special Council Meeting Minutes
June 22, 2009, 6:30 PM

Final changes were made the proposed FY2009/10 Missions & Ministry Budget. Format will be revised to hide line items that have not been used for several years. Those items will remain in the file as place holders, however.

Motion to forward to congregation the proposed Mission & Ministries budget with amendments as discussed. Approved.

Jan will make copies for Fri. Bible Study group and a .pdf version to be emailed to everyone prior to June 28 Congregational meeting. Fred will set up the .pdf file on the projector for Congregation meeting discussion.

A suggestion was made for, future income reporting, that anonymous giving amounts, and purpose, be included in the budget. Added to that suggestion, was an account of giving above offerings.

Agenda items for July 28 Congregation meeting:

- 1) Budget
- 2) Elections of officers and Ministry Teams
- 3) Concordia Fee Waiver
- 4) Right-of-Way Dedication to County

Meeting adjourned at 8:05.

Respectfully submitted,

Jan Shearer
Secretary
